Sithe New England Holdings LLC;
Notice of Issuance of Order

April 24, 1998.

Sithe New England Holdings LLC (Sithe New England) filed an application on behalf of Project LLCs (Project LLCs)¹ for authorization to sell power at market-based rates, and for certain waivers and authorizations. In particular, Sithe New England requested that the Commission grant blanket approval to Project LLCs under 18 CFR Part 34 of all future issuances of securities and assumptions of liabilities by Project LLCs. On April 20, 1998, the Commission issued an Order Conditionally Accepting For Filing Proposed Market-Based Rates (Order), in the above-docketed proceeding.

The Commission's April 20, 1998 Order granted the request for blanket approval under Part 34, subject to the conditions found in Ordering Paragraphs (D), (E), and (J):

(D) Within 30 days of the date of this order, any person desiring to be heard or to protest the Commission's blanket approval of issuances of securities or assumptions of liabilities by Project LLCs should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure, 18 CFR 385.211 and 385.214.

(E) Absent a request to be heard within the period set forth in Ordering Paragraph (D) above, Project LLCs are hereby authorized to issue securities and assume obligations and liabilities as guarantor, indorser, surety or otherwise in respect of any security of another person; provided that such issue or assumption is for some lawful object within the corporate purposes of Project LLCs, compatible with the public interest, and reasonably necessary or appropriate for such purposes.

(J) The Commission reserves the right to modify this order to require a further showing that neither public nor private interests will be adversely affected by continued Commission approval of Project LLCs' issuances of securities or assumptions of liabilities. . . .

Notice is hereby given that the deadline for filing motions to intervene or protests, as set forth above, is May 20, 1998.

Copies of the full text of the Order are available from the Commission's Public Reference Branch, 888 First Street, N.E., Washington, D.C. 20426.
